Transparent Language Online for Libraries

- Hello and welcome,
- Today we will cover Transparent Languages Online.
- You will see a presentation and an online demonstration.
- By the end of this product training session, you should feel comfortable directing library members to your digital library page and giving enough information to encourage borrowers to learn a language of their choice.

- **What does Transparent Language offer my library?**
- Transparent Language Online for Libraries empowers learners to explore a new language at the library, at home, or on the go using any Internet-connected device.

“Transparent Language Online is the most complete language-learning solution available anywhere to libraries. There is something for every language learner.”

The TLO platform offers:

Broad Language Options: 145+ foreign languages and 45+ English as a Second Language (ESL) options.

- **Unlimited Access:** No waiting or limits on how much you can use it.
Free service for library card holders. No pop up or adverts.
- **Skills Focus:** Learners get to listen, read, write, and speak
- **Real-Life Language:** Lessons are based on real-life usage and native speakers.
- **Levels:** Suitable for beginner to intermediate learners.

145+ Languages (and Growing!):

From Afrikaans to Zulu, the number of languages available to learners is constantly growing.

The “Welcome” Lesson:

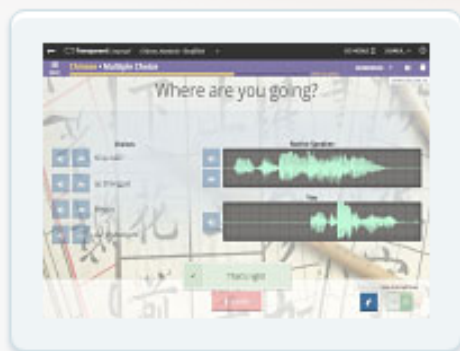

Let us introduce ourselves! Using game dynamics, the Welcome Lesson walks learners through a quick, basic lesson to learn a few key words and how to use the program.

Flexible Learning Path:

Follow our plan or blaze your own trail. We give each learner a starting point, but allow them to choose what they'd like to learn.

Extensive English Collection:

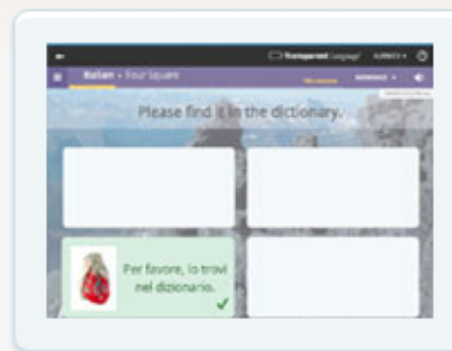

With English materials for speakers of 45+ languages, an intermediate-level immersion course, English for Newcomers courses and more, we have the tools for every English learner.

Each language is more than just an online course

Alphabet Lessons:

You can't learn to read or write if you don't know the alphabet. Get learners started on the right foot with our Alphabet course.

Essentials™ Courses:

With 40 to 80 hours of learning material, each Essentials™ course provides what every learner needs to get started.

Supplemental Vocabulary:

Build proficiency by learning thousands of useful words and phrases categorized by topic and presented in an engaging, memory-building format complete with native speaker pronunciation.

Got Grammar?

We sure do, and more! An extensive collection of videos and written explanations cover hundreds of grammar topics, providing learners with a foundation to build upon.

Other Great Resources:

Language and Culture blogs, Word of the Day, and interactive social communities help learners expand upon the basic learning material by connecting them with others and allowing learners to practice using language in the real world.

Transparent Language mobile apps

These powerful apps **synchronizes your learning activity with your Transparent Language Online account**, meaning you can learn on your computer, phone or tablet - the choice is yours! Best of all, with **145+ languages for English speakers and English for speakers of 45+ different languages**, there is something for every learner.

British English for Newcomers

Picking up and starting somewhere new is tough. Finding a new home. A new job. A new GP. A new school. Even just a new grocery store. Now throw in a language barrier. Surrounded by people, but you can't ask for help - that's tough.

The new "British English for Newcomers" course in Transparent Language Online is designed to help immigrants and refugees in the UK quickly gain the English language and cultural knowledge they need to navigate their new daily lives.

To help newcomers acquire vocabulary as quickly as possible, the course is taught in 12 languages

Amharic
Arabic (Modern Standard)
Bengali
Dari
Farsi
French
Kurdish (Sorani)
Pashto
Somali
Spanish (Castilian)

The advertisement features a central image of a laptop, a tablet, and a smartphone, all displaying the Transparent Language Online interface. The laptop screen shows a 'French-English Comparison' table with phrases like 'vous allez', 'Vous allez bien?', 'le train', 'demain', 'Je vais bien.', and 'Très bien, merci.' alongside their English equivalents. The tablet displays a 'MY LEARNING PATH' and 'LEARNED' progress section with a score of 00126. The smartphone shows a 'PRACTICE' screen. In the bottom left corner, there is a circular badge that says 'SIGN UP TODAY'. At the bottom right, a yellow banner contains the text 'Ask us how to get started!'.
